We will supply all DI's and vocal microphones

IEM Rack:

Exact stage position can vary, and will depend on location of FOH snake.

We will provide all cables to rackmount splitter. FOH will receive labeled XLR fantail to patch into house system.

Jason (stage right) prefers to have a wedge monitor available in addition to our IEM system

Venue Provides:

- 3 x tall boom mic stands,
- AC power drops,
- Soundperson for FOH, and
- FOH snake w/in 20ft of IEM rack

Band provides:

- All DI's and microphones,
- all stage cabling,
- XLR fantail splits from IEM rack to FOH snake
